AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 11th day of November, 1895.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

ON a Report, dated 29th October, 1895, from the Minister of the Interior, submitting that the regulations for the disposal of coal lands, the property of the Dominion Government of Manitoba, the Northwest Territories and British Columbia, approved by Order in Council of the 17th September, 1889, provide that lands containing anthracite coal may be sold at an upset price of \$20 an acre cash, and coal other than anthracite at an upset price of \$10 an acre cash, or may be sold at public competition.

The Minister states that it is found that settlers living at a distance from coal mines which are being worked by persons who purchased the same either from the crown or from some other source, are taking coal from Dominion lands for their own supply and for the use of others, without permission. These settlers as a rule are not in a position to purchase coal lands in accordance with the provisions of the regulations, and as they cannot obtain permission to mine coal by paying a royalty, they take it without authority.

The Minister feels that it would be a hardship upon the settlers if action were taken against them for larceny, especially as many of them are willing to pay a royalty on the coal mined, and he, the Minister, is of the opinion that some regulation should be adopted whereby settlers and others may obtain permission to mine coal on Dominion lands by paying a royalty.

The Minister, after consulting with the Commissioner of Dominion Lands and the Superintendent of Mines of the Department of the Interior, recommends that he be authorized to issue yearly permits to mine a certain quantity of coal, for domestic purposes only, upon payment in advance of a royalty of twenty cents per ton for anthracite coal, fifteen cents per ton for bituminous coal, and ten cents per ton for lignite coal, and that this regulation if approved by Your Excellency shall come into force on and after the first day of January, 1896.

The Committee submit the above recommendation for Your Excellency's approval.

JOHN J. McGEE,

Clerk of the Privy Council.
